

THE KINGS ARMS STOCKLAND

Kings Arms Update

Firstly we would like to say a very big **THANK YOU** for your continued support with our takeaways during lockdown.

WE WILL REOPEN ON JULY 4th at 12.00 (midday)

We have been working hard behind the scenes, so that we can open with a safe and enjoyable environment for your to return to.

You will notice a few changes such as Social Distancing Measures, screen on the bars, a one way system and new cleaning procedures and checks in place, as we are passionate about the safety of both our Staff and Customers.

We have been focusing on making our beer garden inviting for you all, and will have plenty of outdoor seating, so not only can you dine in the fresh air, but socially distanced. You will be able to request/book our outside seating.

We will introduce a one way system around the pub, this will ensure Social Distancing is easy for both our Staff and our Customers, keeping everyone at a safe distance. We will also implement a one in one out system in our toilets with tightened cleaning procedures at regular intervals.

All service will be table service, whether you are having a three course meal or a couple of pints, sit back relax and let us bring everything to you.

We will also monitor and check the well being and health of our staff and ask them to stay home for work to isolate if they have any symptoms.

We will continue to offer our takeaway service to help those of you still wishing to shield, with our midweek takeaway every Wednesday, Fish and Chips on Friday and our Roast available to takeaway every Sunday.

Due to the fact we now have more limited seating available we strongly advise either calling or emailing ahead **to book a table. Call 01404 881686**
